2020-21 School Supply Lists

As CMS braces for a first semester of remote teaching and learning, we know that many families are wondering how this affects school supplies for this school year. While all curricular materials are online, we are hopeful that students will still find some solace in traditional pen and paper for many assignments. To that end, we have compiled supply lists that include “**Required**” and “**Recommended**” supplies. **Required** supplies are supplies that our teachers have stated students will need to be able to complete coursework. **Recommended** supplies are supplies that will help enhance their learning experience, but that are not mandatory.

Cockeysville Middle School: 2020-2021 Sixth Grade Supply List

The grade 6 team is anxious for our students to enjoy a positive *virtual* start for the school year. We have compiled this list of supplies each student will need for virtual classes this year.
